We are so happy with our Rebel HR syndication we wanted to show off one of our best. Rebel has worked on a huge diverse set of genetics! HR Rebel Jeans dam is a straight Butler female that we are positive will mature to 90+" TTT. These females are wonderful mothers with an abundance of milk and breed back at record speeds. We have many that will re-breed within 45 days post calving. We are retaining a trophy steer and a replacement

Total Horn: 92.0000 on 04/26/2022
TTT: 83.3750 on 11/08/2023
